The rumored resolution is not on our agenda. The sheer volume of email received on an issue that is not even before us makes it impossible for me to reply individually to all. I will note your opinion on the matter.

Subject: HP Motion

Dear Council Members:
I am relieved to hear that the April 23 vote on the motion to boycott HP (because of its ties to Israel) has been postponed. The proposed motion would be offensive to the overwhelming majority of the Jewish Community in Cambridge and Greater Boston. Would you approve motions that were offensive to the majority of the African-American, Latino or other communities? Of course not. A motion in support of human rights everywhere would be a much fairer and more effective way to go.
Sincerely,
Solon and Margery Beinfeld
